

Driven. By nature.™

CNC is a big supporter of Tread Lightly! We are dedicated to protecting public and private lands through education.

Tread Lightly! Principles:

- Travel and recreate with minimum impact
- Respect the environment and the rights of others
- Educate yourself--plan and prepare before you go
- Allow for future use of the outdoors--leave it better than you found it
- Discover the rewards of responsible recreation

www.treadlightly.org

CNC 4x4 is a non-profit, incorporated organization formed in 1997. We promote the off-roading sport in a responsible manner. The club is based in the Raleigh/Durham/Chapel Hill area, with membership all over NC, and even SC, VA and DE. Our members range from first time 4-wheelers to seasoned veterans. Enthusiasts new to the sport are encouraged to join. Our rigs range from show-room stock, to locked, lifted buggies.

Benefits of membership:

- Participation in fun, family-oriented off-road and outdoor activities.
- Opportunity to wheel with other like-minded individuals (Never wheel alone!)
- We NEVER leave a member behind.
- Share & learn with other 4x4 owners.
- Get assistance with modifications.
- Membership within the United Four Wheel Drive Association (UFWDA) and Southern Four Wheel Drive Association (SFWDA).

WWW.CNC4X4.ORG

Application Process:

1. Read and agree to the CNC 4x4 Club ByLaws. (see www.cnc4x4.org)
2. Complete the Membership Application and Waiver.
3. Send Application and Waiver by mail, e-mail, or bring to a club event.
4. Await response from Board of Directors.
5. Upon approval, submit New Member dues payment of \$50. (Includes CNC T-Shirt.)

Our Mission

Providing social, educational, and recreational activities for our membership.

Participating in and supporting civic and environmental activities for the betterment of the community.

We have a short list of required items for trail rides:

- Recovery Points (front and rear)
- Fire Extinguisher
- Seatbelts or Harness
- Secured Battery
- Factory Hardtop / Roof or Roll Bar
- Signed CNC Waiver
